

Welcome to School One, a learning community that emphasizes a student-centered approach. We are a small, independent high school located on the east side of Providence.

- Founded in 1973
- Small classes and personalized advising
- Arts-focused and college preparatory
- Affordable tuition with generous financial aid
- Respect for individual uniqueness

School One is in need of your help for our annual Scholar Dollars event which raises money for our financial aid program! **Your** generous **participation** will ensure that School One can continue to educate young people from a variety of social and financial backgrounds from all across Rhode Island and Southeastern Massachusetts. Your support will be directed where it is needed the most – to the 70% of our students who receive financial aid.

This year's event will be held on Thursday, April 15 at 6:00 p.m. at the Rhode Island Country Club in Barrington. Our theme, **Stimulus Plan 2010**, promises to be a fun evening with fabulous food, exciting entertainment and meaningful mingling in a serene setting.

The event has a live and silent auction with a significant number of bidders. We ask you to consider a donation to the auction, which is a key component to the success of the Scholar Dollars event. Additionally, an auction donation becomes a wonderful marketing opportunity as the entire School One community will be invited to attend the event and participate. Anything you are able to donate will be greatly appreciated.

We will give **recognition to all donors in our auction booklet**. We sincerely hope you will decide to participate as a donor this year. For your convenience we have enclosed an auction form and return envelope. If you have any questions about this event, please call School One at (401) 331-2497 and ask for Mari-ann Sullivan, Director of Development.

On behalf of the entire School One community thank you for considering our request and I hope you will agree to donate to our event. It is the generosity of our loyal supporters that make this event a success.

Sincerely,

Scholar Dollar Committee Volunteer
